

The Creation of Man & Woman according to the book of Enoch

On the sixth day I commanded my wisdom to create man from seven consistencies one his flesh from the Earth two his blood from the Dew three his eyes from the Sun before his bones from Stone five his intelligence from the swiftness of the angels and from a cloud six his veins and his hair from the grass of the Earth. his soul from my breath and from the wind and I gave him seven natures to the flesh hearing the eyes for Sight to The Soul smell the veins for touch the blood The Taste the bones for endurance to the intelligence sweetness.

I conceived a cunning saying to say I created man from invisible and from visible nature of both are his death and life and image he knows speech like some created thing small in greatness and again great in smallness and I placed him on Earth second Angel honorable great and glorious and I appointed him as ruler to rule on Earth and to have my wisdom and there was none like him on Earth of all my existing creatures and I appointed him a name from the four component parts from east from West from south from North and I appointed for him four special Stars and I called his name Adam and showed him the two ways the light and the Darkness and I told him this is good and that bad that I should learn whether he has love towards me or hatred that'd be clear which in his race love me for I have seen his nature but he has not seen his own nature therefore through not seeing he will sin worse and I said after sin what is there but death and I put sleep into him and he fell asleep and I took from him a rib and created him a wife that death should come to him by his wife and I took his last word and called her name mother that is to say Eva

Adam has life on Earth and I created a garden in Eden in the East that he should observe the Testament and keep the command I made the heavens open to him that he should see the angels singing the song of Victory and the gloomless light and he was continuously in Paradise and the devil understood that I wanted to create another world because Adam was Lord on Earth To Rule and control it the devil is the evil spirit of the lower places as a fugitive he made Sultana from the heavens as his name was Satan ale thus he became different from the angels but his nature did not change his intelligence as far as his understanding of righteous and sinful things and he understood his condemnation and the sin which he had sinned before therefore he conceived thought against Adam in such form he entered and seduced Eva but he did not touch Adam but I cursed ignorance but what I had blessed previously those I did not curse I curse not man nor the Earth nor other creatures but man's evil fruit and his works I said to him Earth you are and into the Earth whence I took you shalt go and I will not ruin you but send you whence I took you then I can again receive you at my second presence and I blessed all my creatures visible and invisible and Adam was five and a half hours in Paradise and I blessed the seventh day which is the Sabbath on which he rested from all his works
