The Path of Restoration

- <u>Re-preach</u> the gospel according to Our Yeshua's way and lifestyle and to <u>call men everywhere to repent</u> and receive all of Him and His soon coming kingdom.
- Walking as <u>Our Yeshua walked</u> to make true life-giving disciples, followers of Our Lord's words and ways making a clean break from the world and any false loyalty to man-made <u>ecclesiastical Nicolatian</u> religious <u>orders</u>.
- <u>To inspire unity</u> in the Body of Christ around the essentials of the <u>historic faith bequeathed to us</u> from our forefathers. In His way, and in His time, that the world may see that we are one as our <u>Father and His</u> <u>Son are One</u>.
- To love sinners enough to go evangelistically where they hang out and meet them in their ditches in the love of Our Savior.
- To encourage the <u>Body of Christ to work together</u>, using all their <u>spiritual gifts</u>, and so we can foster positive change in any community where we have been strategically placed by the Lord.
- <u>Gather called out elect</u> Jews, Gentiles, and Muslims that make up the remnant of God, a diverse and unique gathering of saints from every tongue and nation.
- <u>Sponsor trips to Israel</u> to establish our understanding of Our unified place in the Land and with all of His People scattered abroad.
- The anointed use of a holy means of promoting the powerful <u>medium of worship</u> and the spoken Word to draw all men to hear His Once for all Work of redemption proclaimed.
- Raise up teams of Holy Spirit trained and <u>prepared</u> <u>ambassadors of His peace</u> who come through the process of <u>training as priests to God</u> are sent out to the Spirit-led places where sinners like us live and operate.
- Open up our homes and "other" intimate settings for the <u>purpose of training and equipping</u> the "saints" and where we openly display christian hospitality and where we share material things.
- Sending out Gospel workers who establish churches that are <u>biblically-governed</u> and prepared to be houses of agape love and purity and in whom the power of heaven dwells.
- <u>Reestablish the family</u> to the rising generation so the newly converted can visibly "see" and "feel" firsthand the <u>love of husband and wives</u> and the brethren manifested in real and tangible ways.
